The logo for ANTE DATA consists of the words "ANTE DATA" in a white, uppercase, sans-serif font, centered within a dark red rectangular background.

ANTE DATA

The Challenge

An unreliable data security system, costly legacy hardware, no scalability for future data growth, and a hardware RAID that creates many difficulties.

The Solution

A high-tech 24TB storage solution that includes efficiency features for more space. Scalability for future growth. Virtualise the servers and replicate Backups offsite to achieve true Disaster Recovery.
